

SARGOLD RESOURCE CORPORATION

Suite 400, 837 West Hastings Street
Vancouver, British Columbia V6C 3N6

INFORMATION CIRCULAR

INFORMATION PROVIDED AS AT MAY 24, 2006 (*unless otherwise stated*) FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON **JUNE 26, 2006** (the "MEETING").

PERSONS MAKING THE SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies being made by the management of Sargold Resource Corporation (the "Corporation") for use at the Annual and Special Meeting of the Company's shareholders (the "Meeting") to be held on Monday, June 26, 2006 at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company.

All costs of this solicitation will be borne by the Corporation.

APPOINTMENT OF PROXIES

The individuals named in the accompanying form of proxy (the "Proxy") are directors or officers of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER'S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER PROXY.** A Proxy will not be valid unless it is completed, dated and signed and delivered to Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, or is delivered to the chair of the Meeting prior to the commencement of the Meeting.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of the person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered

Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a Proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Proxy, the Proxy is not required to be signed by the Non-Registered Holder. In this case, the Non-registered Holder who wishes to submit a Proxy should otherwise properly complete the Proxy and **deliver it to Computershare Trust Company of Canada** as provided above; or
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page preprinted form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed Proxy accompanied by a page of instructions, which contains a removable label containing a bar code and other information. In order for the Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Proxy, properly complete and sign the Proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares that they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders and insert the Non-Registered Holder’s name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the Proxy or proxy authorization form is to be delivered.**

REVOCATION OF PROXIES

A shareholder who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by the shareholder’s attorney authorized in writing or, if the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Corporation, at Suite 2300 – Four Bentall Centre, 1055 Dunsmuir Street, Vancouver, BC, V7X 1J1, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it, or to the chair of the Meeting on the day of the Meeting or any adjournment of it. **Only registered shareholders have the right to revoke a Proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.** A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to the Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

At the time of the printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter which may be presented to the Meeting.

RECORD DATE AND NOTICE

The directors of the Corporation have set May 24, 2006 as the record date for determining which shareholders shall be entitled to receive notice of and to vote at the Meeting. Advance notice of the record date for the Meeting was published by CDS Inc. in *The Globe & Mail* on May 8, 2006.

CORPORATE CEASE TRADE ORDERS OR BANKRUPTCIES

No director, or proposed management nominee for election as a director of the Corporation is, or has been

within the 10 years before the date of this Information Circular, a director or executive officer of any other company that, while that person was acting in that capacity,

- (a) was the subject of a cease trade or similar order, or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days;
- (b) was subject to an event that resulted, after the director or executive officer ceased to be a director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets, except as follows:

Richard W. Warke, the President of the Corporation, is the President and Director of Cybercom Systems Inc. ("Cybercom") and Donald B. Clark, Chief Financial Officer of the Corporation, is a Director of Cybercom. Cybercom was issued a cease trade order on October 23, 2002 due to failure to file comparative annual financial statements and quarterly report for the period ended January 31, 2002. Cybercom's failure to filing the above resulted from its inability to pay filing fees associating with such filing due to a lack of funding. Cybercom is currently inactive and remains under cease trade order. In addition, 2973090 Canada Inc., a Quebec based company, filed a motion with the Quebec Court dated August 18, 1997 to petition Cybercom (Augusta Metals Incorporated at the time) into bankruptcy. The case was heard November 5, 1997. The Court rendered judgement January 19, 1998, dismissing the plaintiff's motion.

Richard Warke, President of the Corporation, filed a proposal (the "Proposal") with the Official Receiver under the *Bankruptcy and Insolvency Act* on September 15, 1998. Despite filing the Proposal, by letter dated August 7, 2002 the TSX Venture Exchange confirmed that Mr. Warke is acceptable to act as a director of the Corporation.

STATEMENT OF CORPORATE GOVERNANCE PRACTICE

The British Columbia Securities Commission has issued guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of listed companies systems of corporate governance with reference to each of such guidelines (the "Guidelines"). Where a company's corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Corporation's approach to corporate governance is set out in the attached Schedule "A".

APPOINTMENT OF AUDITORS

Unless such authority is withheld, the persons named in the accompanying proxy intend to vote for the appointment of Ernst & Young LLP, Chartered Accountants, as auditors of the Corporation and to authorize the directors to fix their remuneration.

In accordance with Section 4.11, "Change of Auditor", of National Instrument 51-102, "Continuous Disclosure Obligations", attached to this Circular as Schedule "B" is a Notice of Change of Auditor advising that the Corporation appointed Ernst & Young LLP, Chartered Accountants, as auditors of the Corporation effective January 31, 2006 for the ensuing year. The Notice of Change of Auditor states that there have been no reservations in the auditor's reports for the two most recently completed fiscal year ends nor have there been any reportable events. The recommendation to appoint Ernst & Young LLP to fill the vacancy in the position of auditor was approved by the Audit Committee and the Board of Directors of the Corporation. Letters from Deloitte & Touch LLP and Ernst & Young LLP confirming their agreement with the Notice of Change of Auditor are attached to the Notice of Change of Auditor in Schedule "B".

MANAGEMENT CONTRACTS

A private British Columbia company, in which the Chairman has a 25% interest, received the sum of \$30,000 in consideration for providing administrative services to the Corporation for the fiscal year ended December 31, 2005.

AUDIT COMMITTEE

Multilateral Instrument 52-110 of the Canadian Securities Administrators ("**MI 52-110**") requires the Corporation, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditors, as set forth in the following.

The Corporation's audit committee is governed by an audit committee charter, the text of which is attached as Schedule "C" to this Circular.

The Corporation's audit committee is comprised of three directors, Robert Wares, Chris Jennings and Donald Clark. As defined in MI 52-110, one is not "independent" and two are "independent". Also as defined in MI 52-110, all of the audit committee members are "financially literate".

Since the commencement of the Corporation's most recently completed financial year, the Corporation's Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of MI 52-110, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of MI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all nonaudit services to be provided by the external auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the external auditors in the fiscal year in which the non-audit services were provided. Section 8 permits a Corporation to apply to a securities regulatory authority for an exemption from the requirements of MI 52-110, in whole or in part.

The audit committee must pre-approve any engagement of the external auditors for any non-audit services to the Corporation in accordance with applicable law and policies and procedures to be approved by the Board. The engagement of non-audit services will be considered by the Corporation's Board of Directors, and where applicable the audit committee, on a case-by-case basis.

In the following table, "audit fees" are fees billed by the Corporation's external auditors for services provided in auditing the Corporation's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditors for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements. "Tax fees" are fees billed by the auditors for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditors for products and services not included in the foregoing categories.

The fees paid by the Corporation to its auditors in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
December 31, 2005	\$140,000	Nil	\$12,000	Nil
December 31, 2004	\$30,000	Nil	Nil	Nil

The Corporation is relying on the exemption provided by section 6.1 of MI 52-110 which provides that the Corporation, as a Venture Issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of MI 52-110.

INTEREST OF CERTAIN PERSON IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of the Corporation at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing, has any material interest directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting except with respect to grants of stock options pursuant to the Corporation's stock option plan.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Stock Option Plan

The policies of the TSX Venture Exchange (“Exchange”) require that all listed companies adopt either a “rolling” stock option plan or a “fixed number” stock option plan and thereafter grant all stock options pursuant to the plan. On April 22, 2004, the Board adopted a Stock Option Plan (the “Plan”) to reflect Exchange policies and general securities laws in other jurisdictions which was subsequently approved by the shareholders of the Corporation at its annual general and special meeting in 2004 and 2005 and accepted for filing by the Exchange.

The Plan is a “rolling” stock option plan under which options, including any outstanding options, may be granted to a maximum of 10% of the issued capital of the Corporation at the time of the grant of the stock option. Under the policies of the Exchange, “rolling” stock option plans are required to be approved by the shareholders at each annual general meeting. Accordingly the Corporation is seeking approval by the shareholders of the Plan at the Meeting pursuant to the policies of the Exchange.

Purpose of the Plan

The purpose of the Plan is to provide an incentive to the Corporation’s directors, senior officers, employees and consultants to continue their involvement with the Corporation, to increase their efforts on the Corporation’s behalf and to attract qualified new directors, senior officers and employees.

General Description/Exchange Policies

The following is a brief description of the principal terms of the Plan, which description is qualified in its entirety by the terms of the Plan:

1. The exercise price of the stock options, as determined by the Board or a committee appointed by the Board, in its sole discretion, shall not be less than the minimum price permitted by the policies of the Exchange. The current policies of the Exchange provide that the exercise price for stock options must not be less than the greater of \$0.10 and the last closing price of the Corporation’s shares before the date of grant, less a maximum discount of 25% where the closing price was up to \$0.50, 20% where the closing price was \$0.51 to \$2.00 and 15% where the closing price was above \$2.00, subject to adjustment in the event of a recent share consolidation, split or announcement of material information.
2. Stock options under the Plan may be granted by the Board or a committee appointed by the Board to directors, officers, employees and consultants of the Corporation and its subsidiaries or employees of companies providing management or consulting services to the Corporation or its subsidiaries.
3. The aggregate number of Common shares that may be reserved for issuance for a stock option to any one individual in a 12 month period must not exceed 5% of the issued shares of the Corporation at the time of grant of the stock option unless the Corporation has obtained disinterested shareholder approval.
4. The number of stock options granted to a consultant in a 12 month period must not exceed 2% of the issued shares of the Corporation at the time of grant of the stock option.
5. The aggregate number of stock options granted to employees involved in investor relations activities must not exceed 2% of the issued shares of the Corporation in any 12 month period, at the time of grant of the stock option. Stock options issued to consultants performing investor relations activities must vest in stages over 12 months with no more than 1/4 of the options vesting in any three month period.
6. Stock options under the Plan will be granted for a term not to exceed 5 years from the date of their grant. Stock options may only be exercised until the earlier of the expiry date and a period of not more than 90 days after the optionee ceases to be a qualified optionee, except in the case of persons providing investor

relations activities to the Corporation where it is limited to the earlier of the expiry date and a period of not more than 30 days after such optionee ceases to be a qualified optionee.

7. All stock options shall be non-assignable and non-transferable except as between an optionee and a wholly owned personal corporation, with the consent of the Exchange provided that they will be exercisable by an option holder's legal heirs, personal representatives or guardians for up to twelve months following the death of a stock option holder.
8. The decrease in the exercise price of stock options previously granted to insiders requires approval by a "disinterested shareholder vote" prior to exercise of such repriced stock options.

The full text of the Plan will be available for review at the Meeting. **Unless otherwise indicated, it is management's intention to vote the proxies in favour of the foregoing ordinary resolution for the adoption of the Plan.**

The shareholders of the Corporation will be asked to consider and, if thought appropriate, to approve and adopt an ordinary resolution in substantially the form set out below:

"NOW THEREFORE BE IT RESOLVED that:

1. the Stock Option Plan dated April 22, 2004 (the "Stock Option Plan"), in the form presented to this Meeting, be approved, and be attached to the minutes of this Meeting;
